

OVERVIEW:

The primary reason to become a registered Adult in Scouting America is to protect our youth. With 4 hours of training you become trained eyes to watch for any signs of abuse and squish it before it can start. Each time we meet or divide we are required to have 2 registered adults present and if a female Cub/Sibling is present then one of the registered adults has to also be female. Every parent who attends or visits any of our meetings is required to take the 90 minute Scouting America S.A.F.E. training. Becoming a registered adult takes you to the next level with 2 additional hours of California Training (this can be shared with other youth groups for \$8), finger printing (must be done for each youth group), and an FBI background check (a must in scouting). A registered leader may not have any leadership roles being there just for safety. These are our "Scouter Reserve" parents. To have a leadership role in the Pack, you also need to be a registered adult and take several hours of training in your role.

In your first year in our Pack we do not require a parent to become a registered adult but you do need to take Scouting America S.A.F.E. training promptly. After the first year we require at least one parent/family to be a registered adult. Of course you can become a registered adult in your first year... good for you! To become a registered leader takes S.A.F.E. , 2 hours of California Training, a quick trip to Campbell to get fingerprinted, and a few minutes to sign up. Starting the 2nd year if a family does not have 1 parent that has completed the training or let it lapse, you will be assessed a penalty for each of their cubs equal to someone becoming a registered adult the first time. We use this penalty to reimburse adults with K-4 cubs the first time they take it (sorry 5th graders, as you're about to leave us and it is required in the older program to attend any Troop Overnight or more than a short visit).

Summary:

- First Year:** Any parent that attends or visits needs to have taken free 90 min S.A.F.E. training. Yes you can do more!
- Pack Job:** You can and should volunteer for a Pack Job. We are a co-op? No one is paid. We take turns helping. See something to improve? Don't whine, volunteer! Criticism = you want to volunteer.
- Past First Year:** Primary parent needs to be A Registered Adult with 2hr California Training, Finger Printing, FBI Check.
- Leadership Role:** Must complete First Year and Past First Year above, and take several more hours of specific training. Yes this can be done the first week you join if you wish.
Specialties include: Cubmaster and Assistants, Den Leaders and Assistants, Committee Members and Misc.
Baloo Training is someone trained to organize/run a pack camping trip.

Process:

- 1) **Fill out National Application for Adult** (Secret entry into My.Scouting.org) (Includes FBI check)
(use credentials you used when signing up your cub or did S.A.F.E. with else new ones.)
 - A) Pack566.org/Ready Click on Adult. Omit the magazine. Pay the \$92 fee.
- 2) **Check your S.A.F.E. completion date, Take or retake at My.Scouting.org No Fee.**
 - A) On the My.Scouting.org homepage, click on the S.A.F.E. Guarding Youth Icon (right side)
 - B) If you have taken S.A.F.E before if will list the last time you have taken this annual training and the date taken.
 - C) If never taken, or less than 90 days remain, please take/retake the 90 minute training.
- 3) **Take California's Mandatory Volunteer Training** (Share a prior certificate for another group for \$10 certificate cost). \$0/\$10.
 - A) Take 2hr training at [California Mandated Reporter](#)
Click Boy Scouts
Enter Zip 95126
Enter your email
 - B) Upload screen shot proof or certificate here: [CMR-Upload](#)
At the link you will also need to sign a background check form , download and upload it.
- 4) **Get Fingerprinted** (Does not count if done for other youth groups). Pay the \$35 fee.
 - A) Fill out this fillable form: [FP-Form](#) Put your Member ID (found on your S.A.F.E. certificate) on form under signature.
 - B) Make an appointment for LiveScan fingerprinting: [Verify-Group](#) Be sure to take the printed form with you!
