Parent's Point of View

- Get your children away from the screens.
- Find fun and excitement in a safe environment.
- Make lifelong friends.
- Allow your children to excel outside of school.
- Program for all, not just the best players.
- Meet your neighbors and learn about the community.
- Participate in a harassment and bullying free environment.
- Leadership, Citizenship, Respect, and Outdoor skills taught.
- Parents can experience their second (or first) childhood.
- Learn from the wisdom and knowledge of others.
- Participate in community service.
- Responsibility and caring are essential parts of the program.
- Best program to help your children achieve their best.
- Path to Eagle Scout for advantages in college and career.
- Do your best is our goal!

Lets get Outside !!!

Cupertino, Saratoga, Surrounding areas.

Our fleet of six Cubmobiles is ready and racing. These are wooden cars our Cubs drive powered by humans or gravity. Can you find photo on page 1?

We draw from all over as shown by this member map as our program is worth it. While all Packs follow the national program they are NOT the same!

We do **NO FUNDRAISING** in P566 saves you countless hours

Pack 566 is open to boys and girls in K-5 in the Saratoga / Cupertino and neighboring San Jose and Los Altos area.

Our sister groups, Troop and Crew 566, are open to older siblings. Pack 566 welcomes younger siblings at meetings and outings.

Scouting is one of America's largest youth organizations. Cub Scouts have been around since 1934 in USA and Pack 566 since 1975.

Scouting is a year round program with the focus on the nine month school year.

Your time is precious. In just a few hours each month, you and your children can participate in a program that emphasizes fun while learning life skills and building a relationship.

Pack 566 is all volunteer run using a national program. All packs are NOT the same. Ask why ours is better and find out why we draw from all over.

Our Pack is not religiously affiliated with any church or religion. We are in over a 16 schools.
